THE Porpoise Point

PRESIDENTS MESSAGE

Happy Spring everyone! Our 'snow birds' will soon be heading back to other friends and family to enjoy summer. As always, they will be missed. Have a safe and enjoyable trip.

In February, our annual meeting and our Board meeting were held. The board is still working on some issues with the beach walk and will be having another meeting sometime soon to move forward.

Some unfortunate news has arisen. The Falkenhagen home at 2056 Porpoise Point North is now 'bank owned'. The board is working on procedures in handling this matter and will keep the Association members updated as needed. If anyone has any questions or concerns please contact me or another board member.

I am looking forward to another year as the PPHAO President and working with both the new and returning board members: Debbie Leone, Tom McCauley, Bob Link, and David Liott. Be safe!

A Precious Bundle of Joy Arrives...

Congratulations to Debbie Leone on the recent birth of healthy and beautiful granddaughter, *Addisyn Adele Dunn* born on Friday, March 6, 2015, to Debbie's daughter, Laura and her son-in-law, Chris. They live in Gainesville, Georgia. Congratulations!

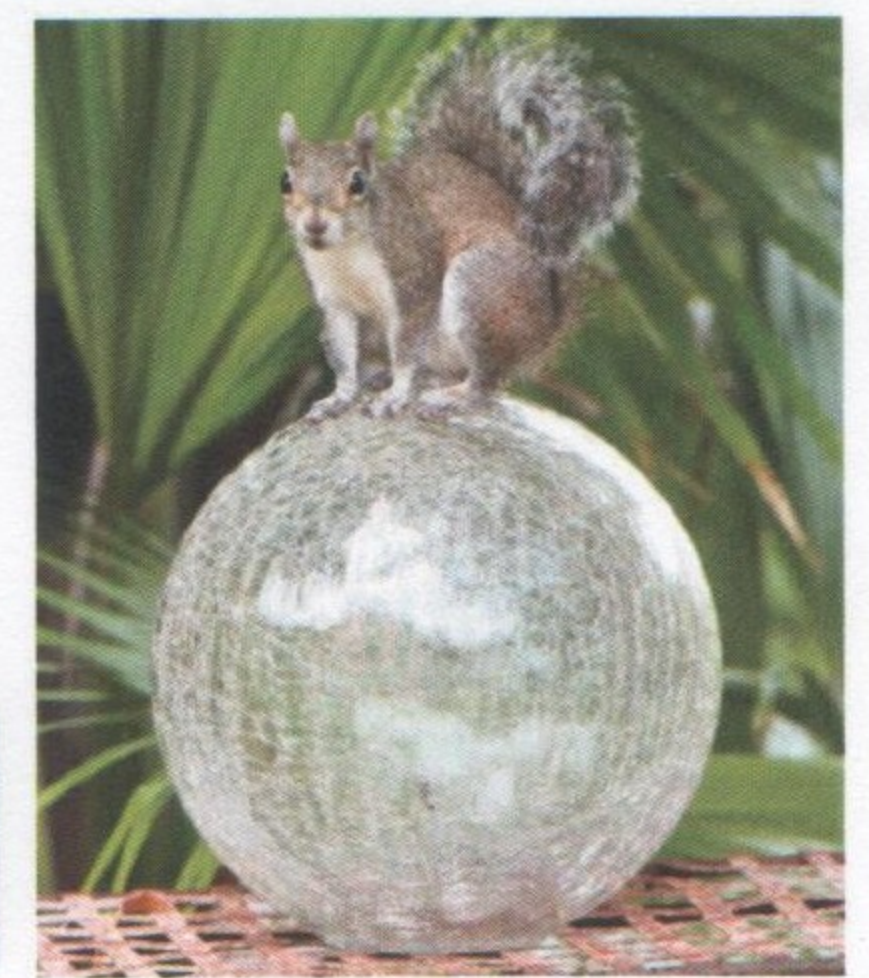

A BABY GIRL!
